

REMARKS

Claims 1-36 and 55-72 are allowed. Claims 1-72 are pending.

Objection to the Specification

The Office Action objects to the specification as missing application number in the specification. The specification is amended herein and accordingly Applicant respectfully requests that this objection be withdrawn.

Claim Rejections – 35 USC § 112

Claims 37-54 were rejected under 35 USC § 112 second paragraph. The Office Action avers that the claim language makes it unclear whether the claims are invoking 35 USC § 112 sixth paragraph. To further prosecution of the application, Applicant has amended the claim language and submits that the claim language is clear. Accordingly, Applicant respectfully requests that this rejection be withdrawn.

CONCLUSION

In light of the foregoing remarks and amendments, Applicant respectfully submits that the application is now in condition for allowance for which early action is requested. Please charge any fees or overpayments that may be due with this response to Deposit Account No. 17-0026.

Respectfully submitted,
